

Choose The Co-operators for your Group Auto and Home insurance

Did you know you have access to The Co-operators Group Auto* and Home Insurance program through your association with the Atlantic Canada Health Care Coalition Society (ACHCCS)?

About The Co-operators

In 1945, a group of Saskatchewan wheat farmers built a co-operative insurance company now known as The Co-operators. Today, The Co-operators Group Limited is a leading Canadian multi-product financial service organization, well known for its community involvement and commitment to sustainability. The Co-operators Group Auto and Home Insurance program protects Canadians in more than 700 groups.
